Item 7.01. Regulation FD Disclosure.

On February 18, 2025, Antero Resources Corporation (the “Company”) issued a notice of full redemption (the “Notice”) with respect to its 8.375% senior notes due 2026 (the “Notes”). The Company gave holders of the Notes notice that on March 5, 2025 (the “Redemption Date”), the Company will redeem all \$96.87 million aggregate principal amount of the outstanding Notes at a redemption price of 102.094% of the principal amount thereof, plus accrued and unpaid interest.

This Current Report on Form 8-K does not constitute a notice of redemption with respect to the Notes. The information furnished in this Item 7.01 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act or the Exchange Act, regardless of any general incorporation language in such filing, except as shall be expressly set forth by specific reference in such filing.

Forward-Looking Statements

This report includes “forward-looking statements.” Such forward-looking statements are subject to a number of risks and uncertainties, many of which are not under the Company’s control. All statements, except for statements of historical fact, made in this report are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. All forward-looking statements speak only as of the date of this report. Although the Company believes that the plans, intentions and expectations reflected in or suggested by the forward-looking statements are reasonable, there is no assurance that these plans, intentions and expectations will be achieved. Therefore, actual outcomes and results could materially differ from what is expressed, implied or forecast in such statements. Except as required by law, the Company expressly disclaims any obligation to and does not intend to publicly update or revise any forward-looking statements.

The Company cautions that these forward-looking statements are subject to all of the risks and uncertainties incident to the exploration for and development, production, gathering and sale of natural gas, NGLs and oil, most of which are difficult to predict and many of which are beyond the Company’s control. These risks include, but are not limited to, commodity price volatility, inflation, supply chain or other disruption, availability and cost of drilling, completion and production equipment and services, environmental risks, drilling and completion and other operating risks, marketing and transportation risks, regulatory changes or changes in law, the uncertainty inherent in estimating natural gas, NGLs and oil reserves and in projecting future rates of production, cash flows and access to capital, the timing of development expenditures, conflicts of interest among our stockholders, impacts of geopolitical and world health events, cybersecurity risks, the state of markets for, and availability of, verified quality carbon offsets and the other risks described under the heading “Item 1A. Risk Factors” in the Company’s Annual Report on Form 10-K for the year ended December 31, 2024.
